Subdivision _____ **Lot No.** _____

County Bldg. Permit No. _____

Permission is hereby granted to encroach upon the easement or right-of-way as set forth on the attached sheet which is made a part hereof by this reference.

Any changes in the construction because of change in design, errors, field conditions other than shown on the application, or any other factors requiring construction other than shown on the drawings will require re-approval of this permit. Any changes as mentioned above, or otherwise, will require immediate cessation of the construction, pending such approval. Field conditions other than shown on the drawings, as well as failure to inform the County of Los Alamos of any changes, may be cause for cancellation of this permit.

This permit shall in no way limit or diminish any rights that the County of Los Alamos has in this or any other easement or right-of-way. In the event it is necessary or desirable for the County, its contractors or agents to perform any maintenance, repair, alteration, or construction work in any easement that results in damage to property or construction installed under this permit, the County shall require the owner or permittee to be financially responsible for replacement.

While it is contemplated that the owner or permittee is being granted this permit for the purposes of construction within the easement or right-of-way, the County reserves the right to require such construction to be removed at the owner's or permittee's expense when, in the opinion of the County, such removal is necessary or desirable for the purposes for which the easement or right-of-way is owned by the County, and the right to terminate the privilege granted by this permit.

The owner or permittee shall be responsible for any damage to County facilities if the damage results from any installation under this permit.

No provisions expressed or implied in the permit shall be construed to allow or sanction violations of any laws or ordinances covering buildings or other construction.
