LOS ALAMOS
Department of Public Utilities

Electric, Gas, Water, and Wastewater Services

What is the BPU?

The Board of Public Utilities (BPU) is the governing body of the Department of Public Utilities (DPU).

Under the jurisdiction and control of the BPU, the DPU provides the County with electric, water, gas and wastewater services. The BPU consists of five County

Council appointed voting members, the Utilities Manager and the County Manager. Through policy direction, the BPU guides the DPU Senior Management Team to create a

“high-performing utility, matched to our community, contributing to its future with diversified and innovative utility solutions.”

Members of the BPU work together with the DPU to serve and represent the interests of the whole community, regardless of a member’s own personal preferences and beliefs.

Who can apply?

To be eligible for appointment, an applicant must

- be 18 years or older;
- be a resident of the County for a minimum of one year prior to the date of appointment;
- be registered to vote in the County;
- not hold any public office or be an employee of the County government;
- not conduct any business with the DPU except as a consumer.

The current makeup of the BPU allows for an incoming member at this time to have any party affiliation.

How long are the terms?

BPU members serve 5-year terms, which begin on July 1st and end on June 30th. Members may reapply to serve an additional 5-year term. Member term expirations are staggered to provide continuity.

SHOULD I APPLY?

YES!

If you meet the eligibility requirements, have a selfless desire to serve the community and think your knowledge and experience might be an asset to the BPU, then you are encouraged to apply.

STRENGTH THROUGH DIVERSITY

Having in-depth knowledge of the utilities industry is **not required**. Having a diverse group of members is extremely important and only strengthens the BPU’s ability to serve the interests of *all* customers through sound leadership actions and policies.

MENTORING

New members will be mentored on BPU’s policies and procedures, DPU’s mission/vision/values and strategies to achieve performance excellence, which are based on the nationally recognized Malcolm Baldrige model and criteria.

What are member duties?

Each decision and action of the BPU affects how the DPU operates, which ultimately affects the citizens of Los Alamos County. For the BPU to function effectively, each member must

- faithfully attend BPU meetings;
- review materials and come to meetings prepared;
- prepare reports when necessary;
- participate in discussions;
- adhere to policies and procedures;
- represent the interests of customers, not personal agendas;
- rotate attendance at quarterly Boards and Commissions luncheons;
- accept and fulfill assignments negotiated by the BPU chair.

Additional duties of the BPU according to the County Code of Ordinances (Section 40-42) can be found online at

When does the BPU meet?

Regular public meetings are usually held the third Wednesday of every month at 5:30 p.m. in Council Chambers at the Municipal Building. Special meetings are scheduled as needed. Meetings are streamed live on the County’s website and are recorded and posted online for future viewing.
