## Submitting Photographs for Art Gallery

When submitting photographs for the Art Gallery, shoot square onto the art – by either laying it on the floor and standing on something high enough to get the whole image, or holding the camera at the same angle as the piece so that the sides line up with the camera frame. Shoot in natural daylight (preferably outdoors on a cloudy or overcast day) rather than using flash. Save your image as a .jpg. Please send all photos to [solidwaste@lacnm.us](mailto:solidwaste@lacnm.us) along with the filled out form.

## Rules

Recycled fashions must be made of at least 75% recycled or reused materials that would have otherwise ended up in the trash or recycle bin. Outfits made strictly of vintage clothes or trash bags will not be accepted. Complete outfits are recommended. Age groups should be selected based on the age of the designer not the model. One prize per designer.
