

# Los Alamos County - Department of Public Utilities

2021

**GAS RATE** The Cost of Gas is calculated on a monthly basis and effective the 8th of each month.

**ELEVATION FACTOR** Los Alamos = 0.78 White Rock = 0.81

**CHARGE CALCULATION** Read diff x elev factor x heat content = therms (round to whole number)

**SCHEDULE** 7A = Residential 7E = Commercial 7L = County 7N = Schools
