- 18:14:57 Christopher Olsen : @Dan: National Interscholastic Cycling Association
- 18:15:52 Mary G : Yes. NICA is a youth mountain bike organization offering school integrated mountain bike teams throughout the state
- 18:31:37 Lisa Reader : I am not able to raise hand for some reason - can whoever is doing the evaluation of the equestrian trial into Bayo make sure they have a trail rider on the site visit
- 18:41:39 jimtyldesley : Hi - I am a volunteer NICA coach with the Los Alamos Mountain Bike Team. For the sake of expediency I would like to echo Mary Grow's & Justin J's comments that the community of Los Alamos could definitely benefit from a greater number of beginner/intermediate mountain bike trails that are conducive to riders new to the sport or those who are younger (and perhaps older). I know a number of locals who actually go down to Santa Fe to ride more beginner-friendly areas. New trails of this nature would allow more people to participate in a healthy, family friendly activity...locally. More than ever kids need access to recreation of this nature as a healthy outlet.
- 18:57:13 Mary G : Thank you for giving us the opportunity to voice our feedback.
