**TO ALL HOLDERS OF SOLICITATION DOCUMENTS FOR:
Request for Proposals No. RFP24-44
RFP Name: Los Alamos Ice Rink Refrigeration System Replacement and
Mechanical Room Upgrades**

Addendum No. 4

This Addendum No. 4 forms a part of the Solicitation Documents and modifies, as noted below, the original Solicitation Documents identified above.

1. Below is a question received from potential Proposers and the County's responses.

A. Question: Which New Mexico Contractor Licenses are required for the project? Is a GB98 required?

Answer: The County anticipates that a license from the appropriate Mechanical and Plumbing Classifications; and the appropriate Electrical Classifications, will be required to perform the work/services. Proposers are reminded that it is their responsibility to understand which Contractor License(s) is/are applicable to the scope of work. Should additional information be needed, Proposers may want to consult New Mexico Regulation & Licensing Department, Construction Industries Division: <https://www.rld.nm.gov/construction-industries/>

All other provisions of the Solicitation Documents shall remain unchanged. This Addendum No. 4 is hereby made a part of the Solicitation Documents to the same extent as those provisions contained in the original documents and all itemized listings thereof.

Each Respondent is requested to acknowledge receipt of this Addendum No. 4 with the Proposal Forms.

I hereby acknowledge receipt of this Addendum No. 4.
